CLUB 212

Homework Help

Fall Session begins 8/21/2024

After School Discovery's **Club 212** offers the following to 7th and 8th grade students:

- **HOMEWORK HELP AFTER SCHOOL.** If your child is on a sports team, or just needs some time or guidance to complete their assignments, the hour after school and before their coach arrives for practice is a great time to work on homework, ask questions, work on projects or layered curriculum and to figure out concepts that they are struggling with.
- **Club 212 Starts the first day of school and is open most school days during the year.** After the School day dismissal, students will receive a snack, go to the homework room or **Club 212** Club room until their coach or parent arrives to pick them up. **No transportation home is available.**
- **There is NO charge for students to participate in Club 212.**
- Please note: Most athletic practices will be held on the first day of school and if this application is not turned in, your child will **NOT** be permitted to stay in the building to wait for their coach. ASD is required to have registration info for any child participating in **Club 212**.
- Registration packets are available from the school office, the ASD Business Office or printed from our website www.afterschooldiscovery.com
- Please return the completed application to the school or the ASD office at 70 Ross Road, Ashtabula.
